**Partner 1:** I'm really into you and want to make sure we're both happy in the bedroom.

**Partner 2:** What do you mean?

**Partner 1:** Would you be open to trying something new to make things even more exciting?

**Partner 2:** Like what?

**Partner 1:** What about a little role playing? Would you be into that?

**Partner 2:** You're not into me as me...?

**Partner 1:** Great, thanks for being open to it! And, just checking in – anything you've been wanting to try? This goes both ways!
